Dear Friends and Supporters,

Chennault Battalion, US Naval Sea Cadet Corps, is a nonprofit youth organization dedicated to the growth and development of youth in the South West Louisiana and South East Texas area, by instilling in them patriotism, leadership, discipline, honor, pride, and courage. Cadets develop these qualities through a military and maritime oriented training program with emphasis on leadership skills, accountability, and teamwork.

Chennault Battalion and Training Ship Avenger serves youth ages 10 – 18. As an affiliated organization, Chennault Battalion is a member of the U. S. Naval Sea Cadet Corps - Region 8, which is recognized by the Internal Revenue Service as a 501(c)3 tax-exempt nonprofit.

Every year we provide cadets the opportunity to experience hands-on training, community outreach, team-building exercises, and leadership building retreats. The Sea Cadet experience is something that each cadet can look back on as one of the greatest and most memorable experiences of their lives!

In addition to monthly drills, each cadet is afforded the opportunity to participate in Advanced Trainings during the summer and Winter including areas such as medical, aviation, law enforcement, leadership, culinary arts, international studies, and basic recruit training (Boot Camp). Each cadet is also proud to serve the community by participating in activities such as visiting with veterans, Honor Guard ceremonies, Color Guard presentations, community parades and many other community and veteran events.

We have a significant number of kids participating in our program, some of which come from financially challenged households. Our goal is to never deny a youth the opportunity to become a future leader by limiting ability to participate in this program due to finances. Currently, 90% of all funding for cadet fees, uniforms, travel, supplies, food, and activities are the responsibility of the parent, which can total as high as \$500 per year.

As we grow our unit, we are reaching out to partners, such as you - for support. We gratefully acknowledge our partners' role in improving the quality of our program. Prior donations have allowed our cadets the opportunity to attend summer trainings, purchase new uniforms and training equipment, and participate in educational field trips.

We ask that you consider becoming a sponsor and contributing to Chennault Battalion. Your contribution will have a direct influence in helping build future leaders that are disciplined decision-makers with positive character skills.

Sincerely,

LT Shannon Cox, USNSCC
Commanding Officer, Chennault Battalion
